2019 FCCLA National Leadership Conference Business Session Financial Report

Tate and Tryon performed an audit over the financial statement of the Family, Career and Community Leaders of America (FCCLA), which is comprised of the balance sheet as of August 31, 2018, the related statement of activities and cash flows for the year then ended, and the related notes to the financial statements. This audit was performed in accordance with accounting principles generally accepted in the United States of America (GAAP). FCCLA received an unmodified opinion, which is the desired opinion, meaning that the financial statements are fairly presented and free of material misstatements.

For the year ended August 31, 2018, FCCLA recorded a net surplus of \$652,642, comprised of revenue and expenses of \$5,386,303 and \$4,733,661, respectively. Total assets increased by \$674,842 to \$5,550,403, led by a \$504,709 increase in cash and cash equivalents, as compared to August 31, 2017. Liabilities increased by \$22,210 to \$403,186, led by a \$16,367 increase in accounts payable, as compared to August 31, 2017. This increase in accounts payable was due to FCCLA receiving invoices for expenses relating to Fiscal Year 2018, in Fiscal Year 2019.

With the passing of the bylaw amendment at the 2019 National Leadership Conference in Anaheim, CA, FCCLA's fiscal year end will now be on July 31, effective immediately.

Career Pathways:

Connecting to YOUR Career Story through FCS

What do you want to be when you grow up? Before deciding on your profession consider your passion. To help you navigate exploring careers, reflect on all the ways FCCLA provides students with college and career readiness skills: your lessons learned from competing in STAR Events, memories made from holding officer positions, and employability skills strengthened from participating in Family and Consumer Sciences classes.

FCCLA has gathered data through a survey of business and industry stakeholders that there are four Career Pathways that most closely align to FCCLA: Hospitality and Tourism, Education and Training, Visual Arts and Design, and Human Services.

These four Career Pathways all make use of real-world skills such as applied academic skills, critical thinking skills, resource management, and systems thinking—all skills acquired through FCCLA's National Programs, Competitive Events, and Family and Consumer Sciences education. There are numerous career opportunities within these four Career Pathways, allowing you to match your skills, experiences, and passion to a future of success within your career.

Career Pathways Quiz

Let FCCLA help you draft YOUR Career Pathway story and connect you to a future career! Take the quiz to see which Career Pathway is the best fit for you.

Directions: Read the statements and write a 1, 2, 3, 4, or 5 to the left of each statement depending on how strongly you feel each statement resonates with you.

1 → Strongly Disagree | 2 → Disagree | 3 → Neither Agree nor Disagree | 4 → Agree | 5 → Strongly Agree

Once all 16 questions have a number next to them, you will add up specific sets of questions denoted that will then match you to one of the four FCCLA Career Pathways.

IMPACT Fund

Opportunities & Awards

Do you want to take part in an initiative that will make an impact on the lives of our members across the nation?

Last year, FCCLA's IMPACT (Investments in Members and Partnerships and Assistance for Chapters and Teachers) Fund was able to touch the lives of countless members across the country. After multiple natural disasters hit this past year, many chapters were in need of help rebuilding, with many students even losing their homes and belongings. Some chapters took initiative in serving their communities and others addressed issues facing peers in their schools through various projects.

Because of the generous donations received, the National Executive Council was able to award almost \$4,000 to chapters. This included 10 chapters in Arkansas, Missouri, Montana, Nebraska, North Carolina, Ohio, Puerto Rico, Washington, and Wisconsin.

Because of the support of many, students were able to host community safety projects, attend the National Leadership Conference, and provide assistance for chapters affected by the natural disasters. You can be a part of that impact this year!

The IMPACT Fund exists to move FCCLA forward by providing opportunities for our members to take action in their communities to leave a legacy that exemplifies our mission and purposes. Donations made to the IMPACT Fund will be used to directly support members as they learn, grow, and achieve through their participation in FCCLA.
