Dear Corporate Partner,

On behalf of the Congress of Neurological Surgeons, I would like to extend an invitation for you to exhibit at the 2017 CNS Annual Meeting, taking place October 7–11, 2017, at the Boston Convention and Exhibition Center, in Boston, Massachusetts.

In what is already a successful meeting, we are looking to improve our connection with you. The CNS exists to enhance health and improve lives through the advancement of neurosurgical education and scientific exchange, and the 2017 Annual Meeting is expected to attract approximately 3,000 surgeons and allied medical professionals seeking information on the latest advancements in neurosurgery.

As an Annual Meeting exhibitor, you will receive valuable opportunities to network with key decision makers from institutions and practices across the US and around the world looking for information on your products and services. As numerous residents also attend this meeting, you have the chance to build relationships with those who will decide trends and technological advances in the future.

And, while you renew relationships with existing contacts and meet new ones, we will present you with many occasions to interact and connect with Annual Meeting attendees, from multiple daily beverage breaks to the Opening Reception. To further enhance your ability to get in front of attendees, CNS offers a wide array of corporate support opportunities that increase brand awareness and position your company as a supporter of neurosurgical education.

Exhibit at the 2017 CNS Annual Meeting and take advantage of this well-respected and highly attended meeting to meet and educate thousands of neurosurgeons and allied health professionals about your most significant products and services. Reserve your booth space today—and don’t forget to take advantage of our corporate support opportunities, which allow you to extend your presence outside the Exhibit Hall. Please join us and help continue the success of this meeting. I look forward seeing you in Boston!

The rules and regulations were created for the best interest of the exhibitors, attendees, and the Annual Meeting office. It is important that each exhibitor abide by these regulations. Failure to comply with any rule set forth may result in the denial of future participation.

**INTERPRETATION OF RULES**
The following rules and regulations are part of the contract between the exhibitor and the Congress of Neurological Surgeons (the Association). The Association shall have full power in the interpretation and enforcement of rules and regulations governing exhibitors. All matters not covered in these rules and regulations shall be referred to the Association for adjudication and the decision of the Association shall be final. These rules and regulations may be amended at any time by the Association and all the amendments so made shall be binding upon the exhibitor equally with these rules and regulations, and shall become a part thereof, providing the exhibitor is notified of the amendments. Notice may be verbal or in writing, before or during the 2017 CNS Annual Meeting, and may be given to any authorized agent or representative of the exhibitor.

**PURPOSE OF EXHIBIT**
The purpose of the exhibits, an integral part of the Annual Meeting educational activity, is to complement the professional meetings and clinical sessions by enabling registrants to evaluate the latest developments in equipment, supplies, and services that are presented for use by neurosurgeons. The Association does not in any manner endorse any of the products or services related to the exhibits that have been accepted for display and sale during the Annual Meeting. The Association reserves the right to determine the eligibility of all exhibit space applicants.

**PRODUCT SALES/ SOLICITATION OF ORDERS**
The sale of products and services is allowed on the exhibit floor provided such sales are conducted in a professional, business-like manner, in accordance with CNS guidelines, and the exhibitor complies with all state and local tax regulations. No signage or advertising of product pricing will be allowed. The Association reserves the right to restrict sales activities that it deems inappropriate or unprofessional. No sales or solicitation will be permitted in any CNS Annual Meeting space other than the exhibit hall and your assigned booth.

**MARKET RESEARCH**
Market research can only be conducted by firms hired by a 2017 Annual Meeting exhibitor. With its application for exhibit space, the research company must submit a letter of authorization from its sponsoring company and a list of all premiums proposed for distribution. Market research booths must remain open and staffed throughout the Annual Meeting. All interviews must be conducted within the confines of the booth space—soliciting registrants in the aisles is strictly prohibited. Violations assessed against exhibiting market research companies may also be applied to the sponsoring company.

**SPACE RELOCATION**
The Association reserves the right to change the exhibit floor plan if conflicts arise regarding space requests or conditions that are beyond the Association’s control. The Association reserves the right to relocate exhibitors demonstrating loud apparatus or conducting odor-producing activities in an area where the noise or aroma will not interfere with other exhibits. The Association reserves the right to determine at what point sound or odor interferes with others and must be discontinued. The Association reserves the right to relocate an exhibitor at any time, (with the understanding that if the exhibitor does not agree with such relocation to the extent that the exhibitor cannot participate in the Annual Meeting, the payment for exhibit space will be fully refunded, proportionate to the exhibitors’ level of participation.)
**BOOTH SPACE REDUCTIONS OR CANCELLATIONS**

Requests for cancellations or reductions in exhibit space must be sent in writing on company letterhead to the CNS Exhibit Office. Cancellation of all exhibit space will result in loss of all priority points earned to date. The CNS reserves the right to relocate booths that are reduced in size. The effective date of a space cancellation or reduction will be the date the written notice is received by CNS. Reductions in booth space will be treated the same as a cancellation according to the schedule listed below. (Space assignment of the smaller booth will be processed as a new booth purchase.) An exhibitor’s cancellation of booth space will result in the release of all assigned hotel guest rooms and exhibitor badges. No refund will be allowed for exhibit space left unoccupied during the Annual Meeting.

- If written notice is received on or before March 31, 2017, CNS will retain 50%.
- If written notice is received between April 1 and June 16, 2017, CNS will retain 75%.
- If written notice is received on or after June 17, 2017, CNS will retain 100%.

**SUBLETTING OF SPACE**

The subletting, assignment, or apportionment of the whole or any part of an exhibitor’s space by the exhibitor is prohibited. Exhibitors may not advertise or display goods in their exhibit other than those manufactured or sold by them in the regular course of their business. Exhibitors may not permit any other party to exhibit in their space any goods other than those manufactured or distributed by the contracting exhibitor.

**LINEAR BOOTHS**

All linear booths will be equipped with an 8’ high back drape, 3’ high side rails, and a 7” x 44” identification sign displaying the exhibitor’s name and booth number. Linear booths must not exceed 8’ in height unless located at the hall perimeter—such booths may be 12’ in height. Any construction that exceeds the 3’ high side rail dividers shall not extend more than half the distance from the back wall of the exhibit nor will any display be allowed to limit or otherwise interfere with other exhibits. Electricity, audiovisual, telephone, internet access, carpeting, etc., will be at the expense of the exhibitor.

**BOOTH CONSTRUCTION AND ARRANGEMENT**

All exhibits must be confined to the spatial limits of their respective booth(s) as indicated on the floor plan, and all equipment, products, or materials to be shown or demonstrated must be placed within the exhibitor’s contracted exhibit space in order to ensure attendees viewing the exhibit will stand within said space, not in the aisles. All exposed parts of displays must be finished so as to present an attractive appearance when viewed from the aisles or from adjoining exhibits. If other exhibitors or the Association object to any exposed portions of a display, the exposed portions will be draped by the Association and billed to the exhibitor. All tables used in an exhibit space must be skirted.

**BOOTH CONDUCT**

The Association reserves the right to approve all exhibits and activities related thereto. The Association may require that an exhibit be curtailed if it does not meet the standards set forth herein, if it reflects against the character of the CNS or the Annual Meeting, or if it exceeds the bounds of good taste as interpreted by the Association. An exhibitor of a questionable exhibit or activity relating thereto must submit a description of the exhibit or activity with the exhibit application for approval. Inspection of the Exhibit Hall will be made during installation hours. An effort will be made to advise exhibitors of any deviation from exhibit rules at that time. Exhibitors must make all corrections requested by the Association at their own expense or risk removal from the Exhibit Hall without notice and without obligation on the part of the CNS for any refund whatsoever. The Association reserves the right to expel or refuse admittance to any representative whose conduct is, in its opinion, not in keeping with the character and/or spirit of the CNS Annual Meeting. Exhibit personnel may not enter another exhibitor’s booth without obtaining permission. Lingering in the aisles surrounding another exhibitor’s booth for the purpose of obtaining product information or distracting booth personnel is strictly prohibited.

Distribution of any literature outside of an exhibitor’s own space is prohibited. No procedures may be performed on any live tissue on the exhibit floor. NON-CONTRACTED EXHIBIT SPACE
Any person, firm, or organization not having contracted with the Association for the occupancy of space in the Exhibit Hall will not be permitted to display or demonstrate any products, processes, services, or solicit orders.

DEMONSTRATION AND LIABILITY
Exhibitions or demonstrations by the exhibitor must be confined within the bounds of the exhibitor’s assigned exhibit space and shall not interfere with aisle space. If the premises of the facility are defaced or destroyed by the exhibitor, its agent, or representatives, the exhibitor will be liable to the facility for such amount as shall be deemed necessary for restoration to the previous condition. This Agreement is made and to be performed in Boston, Massachusetts, and shall be construed in accordance with Massachusetts law, but not against any party by reason of that party having drafted it.

FIRE REGULATIONS
All material used in the exhibit must be flame proof and fire resistant in order to conform to local fire ordinances and in accordance with the regulations established by the hotel.

RESTRICTIONS
Booth lighting should be directed to the inner confines of the booth space and should not project onto other exhibits or aisles. Rotating lighting and other specialized lighting effects should be in good taste and not interfere with neighboring exhibitors or otherwise detract from the general atmosphere of the event. Exhibitors who use noisy electrical devices, sound-producing movies, or other devices which prove objectionable because of noise, odor, or other disagreeable features, must agree to keep the noise and/or odor of such devices at an absolute minimum. Exhibitors with such equipment must agree to accept space assignments, which will abate reasonable objections to these annoyances. X-ray equipment may be exhibited but not operated. Laser equipment may be operated only if the laser is contained within a safety shield.

MUSIC LICENSING
Exhibitors must receive relevant licenses from ASCAP and BMI if they plan to present live or pre-recorded music at any time during the meeting. Exhibitors are responsible for obtaining appropriate licenses for any copyrighted music used in connection with their exhibit.

SMOKING
Smoking is prohibited inside the facility.

FOOD AND BEVERAGE

The signs must be easily visible and placed near the device itself and on any graphics depicting the device. Unapproved devices with pending premarket approval (PMA) applications or premarket notification (510(k)) submissions must display a sign stating “Pending 510(k)/PMA. This device is not cleared by the FDA for sale in the United States.” Unapproved devices without a pending 510(k) or PMA must display a sign stating “This device is not cleared by the FDA for sale in the United States.” Products in the development stage must bear a sign stating “Caution: investigational device. Limited to investigational use.”

**CHILDREN**

Children under 18 years of age will not be permitted to enter the Exhibit Hall at any time during the meeting, including the installation and dismantling of exhibits.

**HANDOUTS AND GIVEAWAYS**

Distribution of samples of products and souvenirs is permitted. Approval of samples and souvenirs must be obtained by the Annual Meeting office prior to the meeting. Distribution of such products or souvenirs will be allowed, provided it is done in a dignified manner, does not create a nuisance, and causes no interference with adjoining exhibits. Unapproved items will be removed from the exhibit floor. For approval, send a sample of all giveaways and handouts to: Congress of Neurological Surgeons, 10 N. Martingale Road, Suite 190, Schaumburg, IL 60173-2294, by Wednesday, August 30, 2017. (Samples will not be returned.)

**CONTESTS, RAFFLES, AND DRAWINGS**

Approved contests, drawings, or raffles must comply with all local, state, and federal laws governing such contest, raffles, or drawings, and have prior approval of the exhibits department. The rules must be posted at the booth and include: eligibility, date, and time of the drawing, the words “No purchase necessary to enter,” along with the odds of winning, how winners are notified, how participants can find out who won, etc. The exhibitor must agree to indemnify the Association, its Board of Directors, employees, and vendors in the event of any claims arising from the operation of the event. The Association must be notified of the winners and when the prize was awarded. The Association reserves the right to restrict contests, drawings, or raffles that it deems inappropriate or unprofessional. Requests for contests, raffles, and drawings must be submitted to the Exhibits Department for approval by Wednesday, August 30, 2017.

**PROMOTIONAL MATERIALS/USE OF LOGO**

Any promotional materials advertising your participation in the Annual Meeting or directing attendees to your booth or industry-supported events must be submitted to the Association for approval prior to distribution. The use of the name, insignia, logo, or other identifying marks of the CNS may not be used in signs, advertising, or promotions in any media, or on descriptive product literature without express written permission. The only exception is that exhibitors may reference the 2017 Congress of Neurological Surgeons (with overall dates and location) on their materials associated with the Annual Meeting. To prevent any misunderstanding, promotional copy for exhibitor meetings or functions may not be phrased “In conjunction with the Congress of Neurological Surgeons” or use similar language. By allowing the exhibitor to participate in the Annual Meeting, the Association does not endorse, either expressly or by implication, the exhibitor or its goods or services.

**AWARDING OF CME**

The Congress of Neurological Surgeons, as CME provider for the 2017 Annual Meeting, is the only organization authorized to grant CME credit for educational activities conducted during the Annual
Meeting if delivered by an ACCME accredited organization. Companies wishing to provide CME for Satellite Symposia must notify the Association of this intent. No CME credit may be given from any source for activities on the exhibit floor.

SECURITY
The Association will provide uniformed security guard service in the Exhibit Hall beginning with the delivery of exhibits to the hall through 2:15 pm, Wednesday October 11, 2017. Neither the Association nor Boston Convention and Exhibition Center will be held responsible for any loss or damage to the exhibitor’s property. Exhibitors must take precautions to protect their property against pilferage.

INSURANCE
Exhibitors shall be fully responsible for any claims, liabilities, losses, damages, or expenses of whatever kind and nature relating to or arising from an injury to any person, or loss of or damage to property where such injury, loss, or damage is incident to, arises out of, or is in any way connected with the exhibitor’s participation in the exhibition. Exhibitors shall protect, indemnify, hold harmless, and defend the CNS, its officers, directors, agents, members, and employees against all such claims, liabilities, losses, damages and expenses, including reasonable attorney’s fees and cost of litigation, provided that the foregoing shall not apply to injury, loss, or damage caused by, or resulting from, the negligence of the CNS, its officers, directors, agents or employees.

Exhibitors should maintain general public liability insurance against claims of personal injury, death, or property damage incident to, arising out of, or in any way connected with their participation in the Annual Meeting, in the amount of not less than one million dollars ($1,000,000) for personal injury, death, or property damage in any one occurrence. Such insurance should include coverage of the indemnification obligations of exhibitors under the policy and procedures and should cover CNS as an additionally named insured. Each exhibit company is responsible for obtaining, for its protection and at its expense, such property insurance for its exhibit and display materials as the exhibitor deems appropriate. Any policy providing such property insurance must contain an express waiver by the exhibitor’s insurance company of any right of subrogation as to any claims against the CNS, its officers, directors, agents, members or employees. The exhibitor further waives any claim against the CNS and its agents, employees, representatives, successors, and assigns, arising out of the oral or written publication of any statement made in connection with the Annual Meeting by anyone not an employee of the CNS concerning the exhibitor or their exhibit.

If any part of the Exhibit Hall is destroyed or damaged, preventing the CNS from permitting an exhibitor to occupy assigned space during part or all of the Annual Meeting, or in the event occupation of assigned space during part or all of the Annual Meeting is prevented by strikes, Acts of God, national emergency, or other causes beyond the control of the CNS, exhibitors will be charged for space during the period it was or could have been occupied; and exhibitors hereby waive any claims against the CNS, its directors, officers, agents, members, or employees for losses or damages that may arise in consequence of such inability to occupy assigned space, its sole claim against the CNS being a refund of exhibit fees for the period it was prevented from using the space.

INDUSTRY CORPORATE SUPPORT EVENTS
Except to hold satellite symposia or social functions, exhibitors must confine their activities with medical attendees to their allotted exhibit space. No entertainment functions, meetings, courses, or social functions may be scheduled to conflict with CNS Annual Meeting program hours, activity hours, or exhibit hours. Entertainment and social functions must be in good taste and conform to the purpose of the meeting. The Association should be notified in writing of any special activities (whether entertainment, educational or promotional in nature) planned by an exhibiting company for the period beginning Saturday, October 7, through Wednesday, October 11. Announcements and invitations addressed to members of the medical profession concerning such corporate supported events should clearly indicate the name(s) of the
corporate support and must in no manner imply directly or indirectly that the event is a part of, or an official activity of, the Association. Function space held by the Association will be released only to companies exhibiting at the CNS Annual Meeting.

SATELLITE SYMPOSIA
Any educational activity designed by or on behalf of industry for attendance by the 2017 Annual Meeting attendees is considered a Satellite Symposium, whether or not CME credit is offered. All such activities are bound by the CNS Guidelines for Satellite Symposia (available online) and subject to Satellite Symposia fees.

AMERICANS WITH DISABILITIES ACT
Exhibitors are responsible for compliance with the Americans with Disabilities Act for their booth space.

VIOLATIONS
Any violation of the Rules and Regulations shall subject the exhibiting company to the following penalties:

- **First Violation:**
  - Loss of current year priority points.
- **Second Violation:**
  - Loss of one-half accrued points.
- **Third Violation:**
  - Loss of remainder of points.
- **Fourth Violation:**
  - One-year suspension of exhibit privileges.

Disciplinary action will be progressive according to the above sequence. However, a more severe penalty may be levied at the discretion of the Association, without following the above sequence. The Association reserves the right to restrict and/or dismiss at any time any exhibit that it deems undesirable. In the event of eviction, the Association will not be liable for any refunds on rental or other exhibit expenses.
