

The Boston Convention & Exhibition Center (BCEC) is the most customer friendly and technologically advanced convention facility in the world. The BCEC is the largest convention center in the Northeast, with 516,000 ft² of nearly column-free exhibit space, 82 fully configurable meeting rooms, a spectacular 40,020 ft² grand ballroom, and over 300,000 ft² of function and registration space. Located on Boston's waterfront, the BCEC is just minutes away from thousands of hotel rooms and the best of Boston's restaurants, city sights, and landmarks. Inside and out, the BCEC gives your event more advantages than any other facility.

ADVANTAGES

More Accessibility. The BCEC is closer to more major transportation systems than any other convention center in the country, and is the closest exhibit facility to an international airport. Boston offers the largest and most valuable attendee base within a two-hour travel radius of any city in the country, and its geographical location makes it an ideal and easy gateway for both national and international access.

More Capabilities. The BCEC offers flexible exhibit halls, meeting rooms, function areas and ballrooms, so you can plan your event your way.

TECHNOLOGY

More Flexibility. With eight adaptable registration areas, 10 access points to the exhibit floor, two skybridges, two ring roads, and any type of function and registration space, the BCEC can fit all of your needs.

Technology. The BCEC offers the world's most advanced technologies, constant upgrades, and an in-house team to support your every need. Enjoy state-of-the-art networking, free Wi-Fi, building-wide cell phone coverage, worldwide teleconferencing and video conferencing capabilities, plasma screens, and more.

The 160-foot Video Wall offers 2,000 square feet of seamless, attention-grabbing video real estate - the perfect way to deliver a high-impact message to your attendees and brand your event. The Marquee, which averages traffic of 200,000+ people passing by per day, offers another powerful and highly visible street level promotional opportunity.
