

A.M.P. Up Your Presence

Customize your event marketing with our Advanced Marketing Program
Generate Leads. Drive Traffic. Enhance Your Brand.

Boost your company's show ROI and awareness with an all-inclusive package that will provide you with everything you need to be seen onsite in 2019. The program was developed to help drive traffic to your exhibit space, expand your message before and after the event and display your brand with high impact to event attendees and exhibitors.

A.M.P. Package 1 : \$3,500

1. Choose two from section 1

Virtual Event Bag

A modernized version of the traditional event bag. Generate impressions with your company content or solutions by including a downloadable white paper or special offer promoted to the show attendees in our Virtual Bag. The Virtual Bag is available and promoted to all event attendees through the event website and event app.

Enhanced Listing

Standout on the most visited webpage for each event, the "Event Floorplan & Exhibitor List". Enhance your online presence with more search categories and additional pre-event exposure on the floorplan increasing your visibility. Your company will also be able to add additional information with an enhanced profile, show specials, press releases and other features.

Website Retargeting

Obtain guaranteed digital ad impressions using our real-time bidding ad serving software that will target event prospects and attendees while they search the internet and engage on social media. Use this opportunity to increase brand exposure and influence to your online marketing campaign.

2. Choose two from section 2

Event Directory

Help attendees locate your exhibit and provide a list of the products and services your company offers by featuring an ad in the Event Directory. The directory is available to all attendees and exhibitors and available throughout the show at numerous high-traffic locations such as registration, the theater, lounges, etc.

Email Blast

Send out a customized pre-event Email Blast to the event attendee list that will be distributed to every preregistered attendee for the event. This email can also be targeted to reach additional attendees within SME's Masterfile database that fit within your criteria.

Custom Podcast Recording

Advanced Manufacturing Now is the go-to podcast for manufacturing professionals.
