D.C. Area Labor Guidelines

To assist you in planning for your participation in this convention, we're certain you will appreciate knowing in advance that union labor will be required for certain aspects of your exhibit handling. To help you understand the jurisdictions the various unions have we ask you to read the following:

Material Handling:

Brede/Allied has the responsibility of receiving and handling all exhibit material and empty containers. It is Brede/Allied's responsibility to manage the docks and schedule vehicles for the smooth and efficient move-in and move-out of the exposition. Brede/Allied will not be responsible, however; for any material they do not handle.

Teamsters Local 639 claims jurisdiction over all unloading and reloading of freight, exhibit materials, product and empty containers and related equipment. They also have jurisdiction over all material handling equipment including but not limited to forklifts, tow motors, dollies, pallet jacks etc. An exhibitor may hand-carry in one trip any material that does not require the use of wheels or other material moving devices.

Booth Labor:

Carpenters Local Union 491 claims jurisdiction over setup and dismantling of exhibits including signs and laying of carpet. This does not apply to the unpacking and placement of your product. Up to two (2) full time employees may work without carpenter labor for one (1) hour on the move-in and one (1) hour on the move-out. Once this time has expired and work to complete the exhibit remains, the exhibitor must hire carpenter labor from the service contractor in order to complete the work.

Safety:

Standing on chairs, tables or other rental furniture is prohibited. This furniture is not engineered to support your standing weight. Brede/Allied cannot be responsible for injuries or falls caused by the improper use of this furniture. If assistance is required in the assembly/dismantle of your booth, please order labor on the Labor Order form included in this kit and the necessary ladders and tools will be provided.

Gratuities:

Brede/Allied requests that exhibitors do not tip our employees. Do not give coffee breaks other than mid-morning and mid-afternoon when union employees have a fifteen minute paid break. Any attempts to solicit a gratuity by an employee for any service should be reported immediately to a Brede/Allied supervisor. Employees of Brede/Allied are paid at an excellent wage scale denoting a professional status and we feel that tipping is not necessary. That applies to all Brede/Allied employees.

In General:

Craftsmen at all levels are instructed to refrain from expressing any grievances or directly challenging the practices of any exhibitor. All questions originated by labor are to be expressed directly to Brede/Allied management personnel. It is recommended that any questions arising with regard to union jurisdictions or practices should be directed to a management representative of Brede/Allied.

Brede Exposition Services/Allied Convention Service, Inc., the official contractor, will have skilled craftsmen available to assist Exhibitors. Arrangements for labor should be made through Brede/Allied in advance whenever possible. Official labor forms are included in this Exhibitor Service Manual.

Exceptions to the foregoing will be considered only in cases where permission has been requested in writing by the Exhibitor and received by Brede/Allied no later than **June 29, 2018**. Exceptions will be granted only if it will not interfere with or prejudice the orderly set-up, interim service, or dismantling of the Exposition. Shipping Information (continued)

Read the "LIMITS OF LIABILITY & RESPONSIBILITY" form included in this service manual for extremely important information concerning shipping and Material Handling.

Please prepay all shipping charges. Brede/Allied cannot accept or be responsible for collect shipments.

All shipments must have a bill of lading or delivery slip showing the number of pieces, weight and type of merchandise. Upon shipping, immediately send copies of bills of lading to Brede/Allied and the name of your on-site representative.

Certified weight receipts are required for all shipments. Brede/Allied will estimate weight for private vehicles without certified weight receipts.

Separate mixed van shipments between crated and uncrated and clearly identify the weights of each bill of lading.

All shipments must be consigned C/O Brede/Allied to enable us to accept them for handling. Convention centers and hotels will not accept direct shipments consigned to them, as they have no facilities for receiving or storing freight.

Labor and equipment for unloading and loading are included in the Material Handling rates. Labor and equipment will be available for uncrating, unskidding, assembling, positioning, leveling, dismantling, recrating and reskidding machinery and/or equipment of exhibitors. Place your orders for this labor with the "Labor" order form included in this service manual.

If your material requires specialized rigging equipment, please notify us promptly so that we can make arrangements. When possible, supply your own rigging equipment with shipments and pre-rig your material.

Shipping cartons will be picked up, stored and returned after the show if they are affixed with "Empty" labels by the exhibitor. These labels will be available at the Brede/Allied service desk and are for **empty storage only**.

Shipping information, bills of lading and labels will be available at the Brede/Allied service desk. *Exhibitors selecting non-official carriers will need to make their own arrangements for pick-up.*

Material Handling Definition, Policies & Guidelines

- * Material Handling (also known as "drayage") is the moving of exhibit materials from one location to another and the associated fees for such service. Whether you ship to the advance warehouse or directly to show site, your materials still need to get to your booth location. Material handling services include the accepting of your material either at the warehouse or at show site, delivery to your booth, storage of empty containers during the show, returning empty containers at the close of the show, picking up your packaged materials, returning them to the dock and loading on the carrier of your choice. Material handling charges are *in addition* to any shipping charges you may incur from the carrier (trucking company, UPS, FedEx, etc.) you select.
- * Shipments should not be addressed to the Hotel or Convention Center, as they do not have the facilities to receive such shipments and may refuse them, prior to the installation of the show.
- * Remove all outdated shipping labels prior to shipment.
- * Please forward copies of all bills of lading to Brede/Allied. This will assist in the tracing of shipment if necessary. Please be certain that all bills of lading have the waybill number on them, since tracing cannot be done without these. Copies of the bills of lading should also be given to your representative attending the show.
- * Any shipment requiring special handling due to length, width, height or weight will be handled on a time and material basis. Please see the Special Handling definition sheet. Any single piece, due to its size, that cannot be fitted through doorway or elevators will be taken as far as possible and then becomes the responsibility of the exhibitor. Arrangements to enlarge such openings, if requested, will be made by Brede/Allied at the exhibitor's expense. Please contact Brede/Allied prior to shipping this type of shipment.
- * All outbound shipments must be tendered with a Brede/Allied bill of lading.
- * Make certain all of your materials are properly insured against fire, theft and all hazards while in transit to and from the convention, moving to and from your booth, and for the duration of the convention. This can usually be done with "riders" to your existing insurance policies.
- * Exhibitor routings on outbound shipments will be honored when possible. In the event the designated carrier fails to pick up by the specified time, such shipments will be re-routed by Brede/Allied.
- * Exhibits left on the booth floor without return instructions will be returned to the exhibitor's address, freight collect, if possible.
- * Brede/Allied as the Material Handling contractor, shall have control over all freight docks, doors, elevators and crate storage areas.
- * Any shipment not handled by Brede/Allied, but for which Brede/Allied is required to handle storage of the empty shipping containers, a charge of \$50.00 per crate, case, box, or carton will be assessed.
- * The responsibility of Brede/Allied with respect to the goods stored hereunder shall be limited to the exercise of ordinary care and diligence by its officers and employees in receiving, handling, keeping and delivering the same. The company shall not be liable for loss or damage by the elements, fire, water, heat, frost, damp, dust, moth, rust, leakage, deterioration, acts of God, riot or unlawful disturbance of the peace or depreciation due to the lapse of time, ordinary wear and tear or perishable nature of the property, nor for injury to goods arising from the lack of proper packing or from improper packing or unpacking by other than its own employees, or other causes beyond its control.

IF THE CARRIER DESIGNATED AND ARRANGED FOR BY YOU FAILS TO PICK UP YOUR OUTBOUND FREIGHT PRIOR TO THE DESIGNATED TIME, WE WILL RE-ROUTE YOUR FREIGHT IN ORDER TO CLEAR THE EXHIBIT HALL. - It is understood that Brede/Allied and its subcontractors are not insurers. Insurance, if any, shall be obtained by the Exhibitor. Amounts payable by Brede/Allied hereunder are based on the scope of the liability as herein set forth and are unrelated to the value of the Exhibitor's property. It is further understood and agreed that Brede/Allied and its subcontractors do not provide for full liability should loss or damage occur.
- Brede/Allied and its subcontractors shall not be responsible for damage to uncrated materials, materials improperly packed, glass breakage or concealed damage Brede/Allied and its subcontractors shall not be responsible for ordinary wear and tear in handling of equipment, nor for loss or damage due to fire, theft, windstorm, water, vandalism, acts of God, mysterious disappearance or other causes beyond their control.

It is understood that during such times the shipment(s) will be left in the booth unattended. Brede/Allied will not be responsible for the count or content of materials. All bills of lading covering outgoing shipment(s) submitted to Brede/Allied or its subcontractors by Exhibitor will be checked at the time of pick-up from the booth and corrected where discrepancies exist.
- Brede/Allied shall not be liable for any loss, damage or delay due to fire, acts of God, strikes, lockouts or work stoppages of any kind, or to any other cause beyond its controls.
- Brede/Allied shall not be liable to any extent whatsoever for any actual, potential or assumed loss of profits or revenues, or for any collateral costs, or for any other special, incidental or consequential damages.
