

Material Handling Definition, Policies & Guidelines

- * Material Handling (also known as "drayage") is the moving of exhibit materials from one location to another and the associated fees for such service. Whether you ship to the advance warehouse or directly to show site, your materials still need to get to your booth location. Material handling services include the accepting of your material either at the warehouse or at show site, delivery to your booth, storage of empty containers during the show, returning empty containers at the close of the show, picking up your packaged materials, returning them to the dock and loading on the carrier of your choice. Material handling charges are in addition to any shipping charges you may incur from the carrier (trucking company, UPS, FedEx, etc.) you select.
- * Shipments should not be addressed to the Hotel or Convention Center, as they do not have the facilities to receive such shipments and may refuse them, prior to the installation of the show.
- * Remove all outdated shipping labels prior to shipment.
- * Please forward copies of all bills of lading to Brede/Allied. This will assist in the tracing of shipment if necessary. Please be certain that all bills of lading have the waybill number on them, since tracing cannot be done without these. Copies of the bills of lading should also be given to your representative attending the show.
- * Any shipment requiring special handling due to length, width, height or weight will be handled on a time and material basis. Please see the Special Handling definition sheet. Any single piece, due to its size, that cannot be fitted through doorway or elevators will be taken as far as possible and then becomes the responsibility of the exhibitor. Arrangements to enlarge such openings, if requested, will be made by Brede/Allied at the exhibitor's expense. Please contact Brede/Allied prior to shipping this type of shipment.
- * All outbound shipments must be tendered with a Brede/Allied bill of lading.
- * Make certain all of your materials are properly insured against fire, theft and all hazards while in transit to and from the convention, moving to and from your booth, and for the duration of the convention. This can usually be done with "riders" to your existing insurance policies.
- * Exhibitor routings on outbound shipments will be honored when possible. In the event the designated carrier fails to pick up by the specified time, such shipments will be re-routed by Brede/Allied.
- * Exhibits left on the booth floor without return instructions will be returned to the exhibitor's address, freight collect, if possible.
- * Brede/Allied as the Material Handling contractor, shall have control over all freight docks, doors, elevators and crate storage areas.
- * Any shipment not handled by Brede/Allied, but for which Brede/Allied is required to handle storage of the empty shipping containers, a charge of \$50.00 per crate, case, box, or carton will be assessed.
- * The responsibility of Brede/Allied with respect to the goods stored hereunder shall be limited to the exercise of ordinary care and diligence by its officers and employees in receiving, handling, keeping and delivering the same. The company shall not be liable for loss or damage by the elements, fire, water, heat, frost, damp, dust, moth, rust, leakage, deterioration, acts of God, riot or unlawful disturbance of the peace or depreciation due to the lapse of time, ordinary wear and tear or perishable nature of the property, nor for injury to goods arising from the lack of proper packing or from improper packing or unpacking by other than its own employees, or other causes beyond its control.
