

# Material Handling

Rates include all labor and equipment required to unload shipment, store up to 30 days in advance at the warehouse address, deliver to booth, handle empty containers to and from storage and remove from booth for reloading onto outbound carriers. Material Handling services, whether used completely or in part only, are offered as a package and the charges will be based on the total weight of the inbound shipment, rounded off to the next cwt. Material Handling rates are billed per shipment.
