Shipping Information (continued)

Read the "LIMITS OF LIABILITY & RESPONSIBILITY" form included in this service manual for extremely important information concerning shipping and Material Handling.

Please prepay all shipping charges. Brede/Allied cannot accept or be responsible for collect shipments.

All shipments must have a bill of lading or delivery slip showing the number of pieces, weight and type of merchandise. Upon shipping, immediately send copies of bills of lading to Brede/Allied and the name of your on-site representative.

Certified weight receipts are required for all shipments. Brede/Allied will estimate weight for private vehicles without certified weight receipts.

Separate mixed van shipments between crated and uncrated and clearly identify the weights of each bill of lading.

All shipments must be consigned C/O Brede/Allied to enable us to accept them for handling. Convention centers and hotels will not accept direct shipments consigned to them, as they have no facilities for receiving or storing freight.

Labor and equipment for unloading and loading are included in the Material Handling rates. Labor and equipment will be available for uncrating, unskidding, assembling, positioning, leveling, dismantling, recrating and reskidding machinery and/or equipment of exhibitors. Place your orders for this labor with the "Labor" order form included in this service manual.

If your material requires specialized rigging equipment, please notify us promptly so that we can make arrangements. When possible, supply your own rigging equipment with shipments and pre-rig your material.

Shipping cartons will be picked up, stored and returned after the show if they are affixed with "Empty" labels by the exhibitor. These labels will be available at the Brede/Allied service desk and are for **empty storage only**.

Shipping information, bills of lading and labels will be available at the Brede/Allied service desk. *Exhibitors selecting non-official carriers will need to make their own arrangements for pick-up.*
