WIRE PROCESSING EVENT

19TH ANNUAL

ELECTRICAL WIRE PROCESSING TECHNOLOGY EXPO

The Electrical Wire Processing Technology Expo is one of the leading shows of its kind for the electrical wire and cable processing industries. 2018 saw an expanded roster of exhibitors and visitors with nearly 3,000 in attendance from 40 states and 25 countries. Major automotive manufacturers such as Ford, Fiat Chrysler, and General Motors, plus notable international companies including Boeing, General Electric, Briggs & Stratton, and Harley-Davidson sent representatives to the two-day show to see the latest trends, technologies, and products shaping the future.
